New York State Fire Marshals and Inspectors Association

2300 Elmwood Avenue – Rochester, New York 14618

The New York State Fire Marshals and Inspectors Association are making plans for the annual 2010 educational conference. The success of this event is credited largely to our sponsors, who lend their names and financial support to the event. This support continues to provide recourses for our participation in code development and legislative meetings. New York State Fire Marshals and Inspectors Association is an organization trying to make a significant difference and we need your support to be able to provide timely updated information through our totally redesigned state of the art web site.

We represent more than just Fire Marshals and Inspectors. Our membership includes building code officials, facility managers, architects, engineers and Environmental Health and safety professionals plus many other code enforcement related specialist with various New York State agencies.

Because of our diversified and quality educational programs, the association attracts hundreds of participants to its educational events each year. Some of these events are co-sponsored with other professional associations across New York State, expanding our reach well beyond our own membership.

By participating as a web site sponsor, your organization will benefit from extended exposure through media campaigns and promotional efforts directed toward the membership of the New York State Fire Marshals and Inspectors Association. For a small donation, you'll be able to enjoy excellent exposure to this important segment of your target audience.

We have two levels of sponsorship packages, as detailed on the enclosed sponsorship commitment form. You can select the level of participation that best meets your needs, and be secure in the knowledge that your sponsorship fee will be used to help New York State Fire Marshals and Inspectors Association provide a quality state of the art and informative web site for our members.

We're counting on your support, and will be happy to answer any questions you may have. Please return your sponsorship commitment by mail or fax it to (585) 784-5207.

Thank you in advance for your willingness to support the efforts of New York State Fire Marshals and Inspectors Association while helping our association make a fire safe difference in each community across New York State.

Sincerely,

Christopher A. Roth
